Subject: Attached 6.5 MB file - draft Navy data evaluation Parcels B&G
Attachments: Draft HPNS Report_Parcels B and G Soil_092917.pdf

I know the share drives are not always the easiest to work with, so since this file is not that big, I'm also sending it as an attachment in case that works better for you.

Lily Lee
Cleanup Project Manager
Superfund Division
U.S. Environmental Protection Agency, Region 9
